SENTINEL HIGH GRADUATE WINS CHEMISTRY SCHOLARSHIP TO UM

Linda Joyce Siltman, a 1967 graduate of Sentinel High School, has received the first \$350 Farmers Union Central Exchange Scholarship for study in chemistry at the University of Montana.

James W. Cox, assistant professor of chemistry at the University, said Miss Siltman was in the top 10 per cent of her graduating class in the Missoula County high school. Throughout her four years at Sentinel, she has been on the honor roll or high honor roll each grading period.

Cox said that Miss Siltman intends to become a chemist or a chemistry teacher.

She resides with her parents, Mr. and Mrs. Alfred C. Siltman, at 618 West Kent in Missoula.

The Farmers Union Central Exchange is a regional wholesale and manufacturing farm supply cooperative with headquarters in St. Paul, Minn. More than 130 Central Exchange affiliated cooperatives are located in Montana and other western states, according to T.H. Steichen, general manager.
